Truth and Reconciliation September 30th 2023

On Saturday September 30th, the National Day of Truth and Reconciliation, our community has been invited to a very special private event that will take place onsite in our upper parking lot. We are asked to witness the unveiling of our Welcome Pole. Please note this event is outdoors and will likely be standing room only. We encourage you to dress for the weather and wear something orange.

Please note that because this statutory holiday falls on a Saturday this year, all schools will be closed on Monday October 2nd to observe this holiday.

Pick up, Drop off, School Phone and Leaving Early

***Reminder, BC is an idle-free province. Please shut off your vehicle when dropping off or picking up your child(ren).*

Please organize plans with your child prior to them coming to school. If you must change plans with your child, please email info.hb@sd68.bc.ca and we will ensure that the message is delivered. A reminder that if you need to pick up your child early, please let the classroom teacher and the office know in advance so that students can be prepared for their departure.

All students should be staying near their pickup/drop off location organized by teacher until their adult picks them up. Duties will bring any students who are not picked up to the office until someone comes to pick them up. Students need to be picked up as soon as possible after school *and should not be heading to park or off site without their adult*. Any child who can not find their adult should report to the nearest duty or come to the office. Thank you.

School Supplies Fees:

Supply fees have been emailed out and can be paid via our SchoolCash online system. They are due September 30th.

Please contact the office if you didn't receive the email. If you prefer to pay with cash or cheque (to SD68), please clearly label with student's name and it can be dropped off at our office.

More of what is happening at Ecole Hammond Bay:

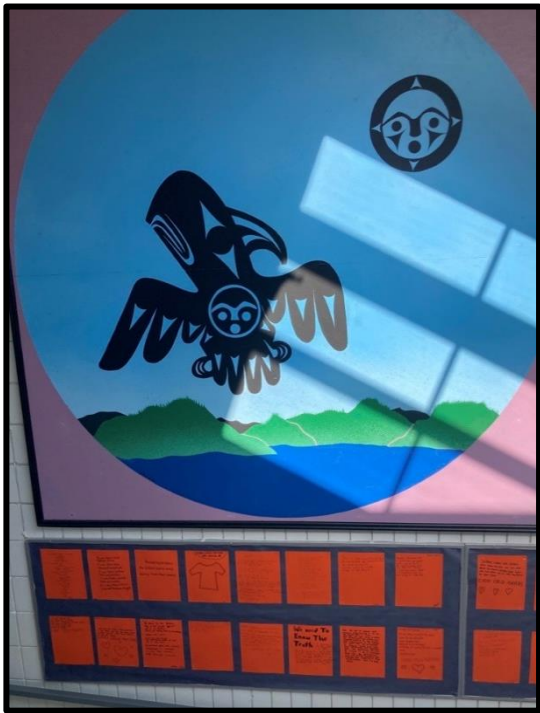

From Mme Erin Lawson in the library:

We did a whole school activity in the library this week. We talked about how every child should feel at school. We brainstormed words together (En sécurité, valorisé, excité, respecté, bienvenue, en paix, intelligent, heureux, joyeux).

We wrote the word that resonated most with us on our feather, coloured and cut them out and chose a spot on our orange shirt bulletin.

I was so proud of everyone's work and wanted to share it with you in case it was helpful for sending out the end of week memo.
